**Directions:** Write a story about a character that has a problem or decision to make that deals with money. In the story, the character should work through each step of the decision making process in order to determine a solution. Identify the problem, brainstorm the pros and cons of possible solutions, make a decision, and evaluate the decision. Use creativity to describe the plot, characters and problem. Your story should be written in a neat, organized manner using proper grammar and punctuation. Be imaginative and guide the character through all four steps of the decision-making process.

1. Summarize the problem your character is faced with.

2. Write your story in the space provided.
